**Bloustein Direct Admit Students:** This minor program is open to all majors.

**SAS Students:** This minor program is open to students of any major with the exception of Health Administration, Planning and Public Policy, Public Health, Public Policy, and Urban Planning and Design

**Other Schools:** Please check with your primary school's Dean's office regarding combining major and minor programs within the Bloustein School.

**NOTE:** If combining two programs (double major or a major/minor combination) within the Bloustein School, courses will not overlap.
