CAREER DEVELOPMENT SUPPORT SERVICES

Cheryl Egan, Career Management Specialist

Conducts individual and group career counseling and coaching for graduate students and alumni of the health administration master's program; provides support in gaining career-related experience through internship and field experiences and assists with job searches, career decisions, and professional employment upon graduation and beyond.

Designs, implements, and leads career education programs, initiatives and events, including career panels, recruiting events, round table discussions, job talks, workshops and seminars.

Cultivate and develop strategic alliances with employment community for internships and employment opportunities.

The Rutgers Bloustein MHA Career Services and Rutgers Graduate Society of Healthcare Leaders (GSHL) Presents:

Hackensack Meridian Health

INFORMATION SESSION

Thursday, April 2, 2020
04:00 PM - 05:30 PM

Location: Virtual (TBA)

ABOUT

Representatives from Hackensack Meridian Health (HMH) will be discussing their health system including its background, services provided, and organizational culture.

In addition, they will be covering general recruitment practices in healthcare overall, including adjusting recruitment strategy during the COVID-19 pandemic.

MHA Career Conversations

with Cheryl Egan, M.A.
MHA Career Management Specialist

As the new Bloustein School Student Services Career Management Specialist exclusively for MHA students, Cheryl is excited to work with students regarding their transition from school to career and support them throughout their job search. Come and partake in informal discussions about your goals, aspirations and see where your program of study is leading you. Those graduating in May are strongly encouraged to attend!

March 11, 2020
05:00 PM-06:00 PM
Room 261
