ABOUT THE KRUECKEBERG DOCTORAL CONFERENCE

The Krueckeberg Doctoral Conference is organized by doctoral students for doctoral students engaged in urban-, planning-, and policy-related research across disciplines and universities in the tri-state NJ-NY-PA metropolitan region. Named after Professor Donald A. Krueckeberg, the conference commemorates Don Kreuckeberg's long-running commitment to doctoral education by providing a one-day forum highlighting doctoral student research at the cutting edge of urban studies, planning, and public policy.

Professor Krueckeberg was a well-known and respected scholar in the planning profession, with special interests and contributions in the areas of planning history, property theory, and land use policy. His books, *Introduction to Planning History in the United States*, *The American Planner: Biographies and Recollections*, and *Urban Planning Analysis*, still serve as important references for scholars and professionals in planning and public policy.

In 2007 Professors Michael Greenberg and Frank Popper reflected on their personal and professional impressions of their colleague and friend:

His service to the people of New Jersey took many forms. He was vice president of Middlesex Interfaith Partners with the Homeless and served on the boards of the New Jersey Alliance for Affordable Housing and the Camden Lutheran Housing Corporation. He served for over a decade on the Highland Park Zoning Board of Adjustment, which he chaired from 1980-83. He was an active member of the Emanuel Evangelical Lutheran Church of New Brunswick.

We will remember Don as the bow-tied, bearded, meticulous, smiling professional upholder of academic, administrative and ethical standards; a passionate lover of cities and city pleasures who in his last years adored living a five-minute walk from work; a skillful skier, sailor and yachting commodore; and a quiet but steely moral guide to life in all its ups and downs.

Many thanks for financial support from:

Edward J. Bloustein School of Planning and Public Policy, Rutgers University

SCHEDULE OF EVENTS

8:45am – 9:00am WELCOME AND INTRODUCTION

Speaker: David Listokin, Professor

9:00am – 10:00am SESSION 1: ENERGY & ENVIRONMENT

Discussant: Clint Andrews, Professor
