

MEMBERS OF THE GRADUATE FACULTY

Members of the Graduate Faculty

Hooshang Amirahmadi, Distinguished Service Professor of Planning and Public Policy, EJBSPPP; Ph.D., Cornell

Third-world development (regional/national); global economic restructuring

Clinton J. Andrews, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Massachusetts Institute of Technology

Energy and environmental planning; regulatory reform; planning methods

Radhika Balakrishnan, Professor, Women's and Gender Studies, SAS, Ph.D., Rutgers University, Gender and development, human rights and the global economy, and human rights and economic social rights

Francis Barchi, Associate Professor of Planning and Public Policy, EJBSPPP; Ph.D., Pennsylvania Global health ethics; women's health in southern Africa; women's autonomy and gender-based violence in Botswana; ethics education

Soumitra S. Bhuyan, Assistant Professor of Planning and Public Policy, EJBSPPP, Ph.D., University of Nebraska

Health information technology; chronic disease management; health policy; global health

Robert W. Burchell, Emeritus Distinguished Professor of Planning and Public Policy, EJBSPPP; Ph.D., Rutgers University

Empirical analysis in housing; land use; municipal finance

Joel Cantor, Distinguished Professor of Planning and Public Policy, EJBSPPP; Director, Institute for Health; Sc.D., Johns Hopkins

Health care financing and delivery; health care policy

Raphael J. Caprio, University Professor, EJBSPPP; Ph.D., Rutgers University.

Local government budgeting; development and revenue policy

Johnna Christian, Associate Professor, School of Criminal Justice, Rutgers University-Newark. Incarceration, families, prison visitation, prisoner reentry

Henry A. Coleman, Emeritus Professor of Planning and Public Policy, EJBSPPP; Ph.D., Princeton Public policy; state and local finances

Dec 7, 2020

Jocelyn Elise Crowley, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Massachusetts Institute of Technology

Social policy; American politics; gender policy

Cara L. Cuite, Assistant Extension Specialist, Dept. of Human Ecology, Rutgers Cooperative Extension, SEBS; Ph.D., Rutgers University

Risk communication about weather, climate and food; community food security

James DeFilippis, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Rutgers University

Community development; housing

Zaire Dinzey-Flores, Associate Professor, Sociology / Latino & Hispanic Caribbean Studies, SAS, Ph.D., University of Michigan

Housing Policy & Design, Urban Planning, Race & Ethnicity, Space & Place, Qualitative & Quantitative Methods, Crime & Social Control, Social Policy, Latin America & Caribbean, African Diaspora

Frank Felder, Research Professor; Director, Center for Energy, Economic, and Environmental Policy, EJBSPPP; Ph.D., Massachusetts Institute of Technology

Energy policy; restructured electric power systems

Michael R. Greenberg, Distinguished Professor of Planning and Public Policy, EJBSPPP; Ph.D., Columbia

Environmental planning; public health

William K. Hallman, Professor of Human Ecology, SEBS; Ph.D., South Carolina

Risk perception; risk communication; consumer attitudes and behavior; food policy

Andrea Hetling, Associate Professor of Planning and Public Policy, EJBSPPP; Ph.D., Maryland

Social policy; domestic violence; welfare

David Hughes, Professor of Anthropology, SAS; Ph.D., University of California, Berkeley

Environmental anthropology, landscape, conservation, energy, climate change

James W. Hughes, Distinguished Professor of Planning and Public Policy, EJBSPPP; Ph.D., Rutgers University

Housing; demographic and economic analyses

Radha Jagannathan, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Princeton

Statistics and methods; public welfare

Douglas Kruse, Distinguished Professor of Human Resource Management, School of Management and Labor Relations; Ph.D., Harvard University

Dec 7, 2020

Employee ownership; profit sharing; disability; worker displacement; pensions; wage differentials

Naa Oyo Kwate, Associate Professor of Human Ecology and Africana Studies, SEBS; Ph.D., St. John's

Urban inequality; African-American health

Michael Lahr, Research Professor, Center for Urban Policy Research; Ph.D., Pennsylvania
Economic development; regional economics; public finance

Robert W. Lake, Emeritus Professor of Planning and Public Policy, EJBSPPP; Ph.D., Chicago
Urban and community development; urban policy and politics; planning and social theory

Beth Leech, Professor of Political Science, SAS, Ph.D, Texas A&M University
American political institutions; public policy

David Listokin, Distinguished Professor of Planning and Public Policy, EJBSPPP; Ph.D., Rutgers
University

Housing; land use; finance

Jane Miller, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Pennsylvania
Maternal and infant health; demography

Dawne Mouzon, Associate Professor of Planning and Public Policy, EJBSPPP; Ph.D. Rutgers
University

Physical and mental health disparities; race; gender; sociology of the family

Anton Nelessen, Professor of Planning and Public Policy, EJBSPPP; M.S., Harvard
Urban design; site and master planning; media presentations

Lenna Nepomnyaschy, Associate Professor of Social Work, SSW; Ph.D., Columbia
Child and family health policies; poverty and inequality

Kathe Newman, Professor of Planning and Public Policy, EJBSPPP; Ph.D., CUNY
Urban politics; urban revitalization; community development

Robert B. Noland, Distinguished Professor of Planning and Public Policy, EJBSPPP; Ph.D.,
Pennsylvania

Impacts of transport planning and policy on environmental outcomes; impact of induced travel
on vehicle emissions; behavioral responses to new transport capacity

Karen M. O'Neill, Associate Professor of Human Ecology, SEBS/SAS; Ph.D., California (Los
Angeles)

Land-use conflicts; social classes; the state

Dec 7, 2020

Cymie R. Payne, Associate Professor of Human Ecology, SEBS; Ph.D., University of California, Berkeley

International environmental law; liability; impact assessment; global climate change

Will Payne, Assistant Professor of Planning and Public Policy, Ph.D., University of California, Berkeley

GIScience, urban geography, gentrification studies, spatial data science

Frank Popper, Emeritus Professor of Planning and Public Policy, EJBSPPP; Ph.D., Harvard
Land-use politics, regional planning, and shrinking places

Ronald Quincy, Professor of Professional Practice, EJBSPPP; Ph.D., Michigan State University
Nonprofit governance, organizational strategy, international affairs.

Kelcie Ralph, Assistant Professor of Planning and Public Policy, EJBSPPP; Ph.D., California (Los Angeles)

Travel behavior of special populations, causes and consequences of the decline in driving among young adults

Edward Ramsamy, Associate Professor of Africana Studies, SAS; Ph.D., Rutgers University
Social theory and urban planning; international development

Trinidad Rico, Assistant Professor and Director of Cultural Heritage and Preservation Studies, Dept. of Art History, SAS, Ph.D., Stanford University

Critical heritage study of preservation practices in non-Western societies

Mark Robson, Board of Governors Distinguished Service Professor, Dept. of Plant Biology, SEBS; Ph.D.; Rutgers University

Public health; agrochemical toxicology

William M. Rodgers III, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Harvard
Labor economics; economics of social problems

Yana V. Rodgers, Professor, Labor Studies and Employment Relations, School of Management and Labor Relations; Ph.D, Harvard University

Labor studies; development economics; feminist economics; health

Julia Sass Rubin, Associate Professor of Planning and Public Policy, EJBSPPP; Ph.D., Harvard
Education policy; social justice; grassroots mobilization; nonprofit advocacy and community economic development

Hal Salzman, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Brandeis

Dec 7, 2020

Workforce development and labor markets; effects of technological change; science and engineering workforce policy

Brian J. Schilling, Associate Professor/Associate Extension Specialist; Director, Rutgers Cooperative Extension, SEBS; Ph.D. Rutgers University
Agriculture, agricultural policy, food systems, conservation

Dona Schneider, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Rutgers University
Morbidity and mortality patterns for children and high-risk groups

Ethan Schoolman, Assistant Professor of Human Ecology, SEBS; Ph.D., Michigan
Environmental, political, and cultural sociology; inequalities in access to healthy food

Eric Seymour, Assistant Professor of Planning and Public Policy, EJBSPPP, Ph.D., University of Michigan.
Housing and community development; data science and informatics; space and social justice

Stuart Shapiro, Professor of Planning and Public Policy, EJBSPPP; Ph.D., Harvard
Public administration; public policy; regulatory processes; quantitative methods

Mi Shih, Associate Professor of Planning and Public Policy, EJBSPPP; Ph.D., Rutgers University
International urbanization; land development and property rights; city redevelopment; social protests and citizenship in China

Rachael Shwom, Associate Professor of Human Ecology, SEBS; Ph.D., Michigan State
Climate change and energy politics; civil society; energy consumption; public opinion

Michael Smart, Associate Professor of Planning and Public Policy, EJBSPPP; Ph.D., California (Los Angeles)
Social networks and neighborhood activity patterns; urban modeling and simulation; GIS

Piyushimita (Vonu) Thakuria, Distinguished Professor and Dean, EJBSPPP, Ph.D., University of Illinois-Chicago
Transportation, urban planning and policy, cross-disciplinary research in statistics, urban informatics

Jermaine Toney, Assistant Professor of Planning and Public Policy, EJBSPPP; Ph.D., New School for Social Research
Applied microeconomics; socio-economic inequality; wealth and health disparities

Carl Van Horn, Distinguished Professor of Planning and Public Policy, EJBSPPP; Ph.D., Ohio State
American political institutions; public policy

Dec 7, 2020

Marc Weiner, Associate Research Professor of Planning and Public Policy and Executive Director, Undergraduate Programs, EJBSPPP; Ph.D., Rutgers University
Survey research; public opinion; demography; politics; qualitative research methods

Lyna Wiggins, Emeritus Associate Professor of Planning and Public Policy, EJBSPPP; Ph.D., California (Berkeley)
GIS; computer applications in planning

Nancy Wolff, Distinguished Professor of Planning and Public Policy, EJBSPPP; Ph.D., Iowa State
Health economics; public finance

Wenwen Zhang, Assistant Professor of Planning and Public Policy, EJBSPPP, Ph.D., Georgia Institute of Technology
Emerging transportation technologies; applied data science

Associate Members of the Graduate Faculty

Alan Cander, Assistant Teaching Professor, EJBSPPP, Ph.D., Rutgers University.
Urban planning and redevelopment, land use law, public policy, community development

Barbara Faga, Professor of Practice in Urban Design, EJBSPPP; Ph.D., Georgia Institute of Technology
Participatory planning, planning practice and theory, urban design, zoning

Paul Gottlieb, Associate Professor of Agricultural, Food, and Resource Economics, SEBS; Ph.D., Princeton
Farmland fragmentation; causes and effects of zoning; rural and high-tech economic development

Wolfram Hoefler, Associate Professor of Landscape Architecture, SEBS; Dokt. Ing., Technische Universität München (Germany)
Brownfields; suburban landscapes; design theory

Robert E. Kopp, Professor of Earth and Planetary Sciences, SAS; Ph.D., California Institute of Technology
Past states of Earth systems and transitions; integrated assessments: energy, climate, and policy

Marci Meixler, Associate Teaching Professor, Department of Ecology, Evolution, and Natural Resources, School of Environmental and Biological Sciences, Ph.D., Cornell University
ecosystem management and landscape ecology

Pamela McElwee, Associate Professor of Human Ecology, SEBS; Ph.D., Yale

Dec 7, 2020

Biodiversity; conservation; climate change; environmental change
