- Secretary

Getting Involved

- Our format will be slightly different this year, with only ONE General Body Meeting held per semester, and focus on other events (socials, international student events, panel/conference)
- Although we are the Women's Leadership Coalition, and may focus our programming on topics relevant to women leaders, those of all genders are welcome to participate
- Get involved with E-Board! Passed down each May

Thank You

We are open to questions, ideas, and suggestions! Please take our interest survey: https://bit.ly/WLC_21-22
